

# Niseko Town Garbage Guide App

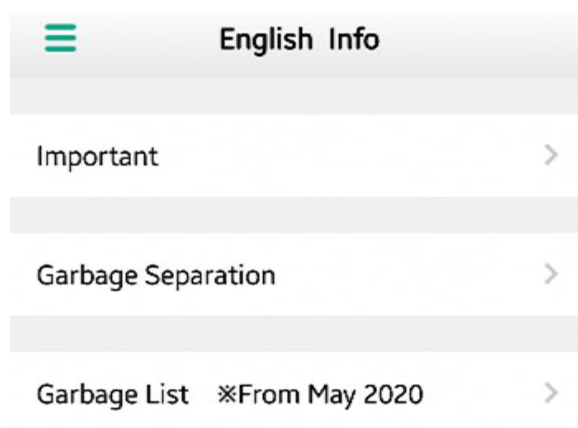

Download the *Niseko Garbage Guide* app starting in April 2020.

This is a free app to help make garbage separation easier for everyone in Niseko Town.

English information available in the app is outlined below:

Click English Info

## Important

An outline of some **important rules** regarding garbage disposal in Niseko Town.

## Garbage Separation

Here you can find info about how to dispose of different items based on their categories. Keep in mind that any garbage disposed incorrectly may not be collected! Let's all do our part to follow proper waste management etiquette in the community.

## Garbage List

*\*From May 2020*

Use this resource to find out what kind of waste category different everyday items fit into. Some categories can be a little complicated, such as recycling, which is broken down into 9 different sub-categories.
